## SECTION 2 How to Change Plans

**To stay in Medical Associates Community Plan, you don’t need to do anything.** Unless you sign up for a Medicare Advantage or drug plan or change to Original Medicare by December 7, you’ll automatically be enrolled in our Medical Associates Community Plan. If you want to change to a different Cost plan, you may do so anytime the Cost plan is accepting members.

If you want to change plans for 2026, follow these steps:

- **To change to a different Medicare health plan,** enroll in the new plan. You’ll be automatically disenrolled from Medical Associates Community Plan.
- **To add a Medicare drug plan or change to a different drug plan,** enroll in the new drug plan. You will continue to receive your medical benefits from Medical Associates Community Plan.
- **To change to Original Medicare with Medicare drug coverage,** enroll in the new Medicare drug plan and send us a written request to disenroll from Medical Associates Community Plan. Call Member Services at 1-866-821-1365 (TTY users call 1-800-735-2942) for more information on how to do this. Or call **Medicare** at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048. Enrolling in the new drug plan will not automatically disenroll you from Medical Associates Community Plan.
- **To change to Original Medicare without a drug plan,** you can send us a written request to disenroll. Call Member Services at 1-866-821-1365 (TTY users call 1-800-735-2942) for more information on how to do this. Or call **Medicare** at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048. If you don’t enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty.
- **To learn more about Original Medicare and the different types of Medicare plans,** visit [www.Medicare.gov](http://www.Medicare.gov), check the *Medicare & You 2026* handbook, call your State Health Insurance Assistance Program (go to Section 4) or call 1-800-MEDICARE (1-800-633-4227). As a reminder, Medical Associates Health Plans offers other Medicare health plans. These other plans can differ in coverage, monthly plan premiums, and cost-sharing amounts.

## Section 2.1 Deadlines for Changing Plans

People with Medicare can make changes to their Medicare Advantage or drug coverage from **October 15 – December 7** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2026, and you don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) between January 1 – March 31, 2026.

## Section 2.2 Are there other times of the year to make a change?

In certain situations, people may have other chances to change their Medicare Advantage or drug coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for 2 full months after the month you move out.

## **SECTION 3 Get Help Paying for Prescription Drugs**

---

You may qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs, including monthly drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify won't have a late enrollment penalty. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048, 24 hours a day, 7 days a week.
  - Social Security at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday – Friday for a representative. Automated messages are available 24 hours a day. TTY users can call 1-800-325-0778.

- Your State Medicaid office.
- **The Medicare Prescription Payment Plan.** The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for covered drugs by spreading the costs across the calendar year (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.**
